Reaching a Milestone
Dear Family and Friends,

It is always a pleasure to reflect on the past year, give thanks to our donors and express our appreciation for our partnerships. It is also with sincere joy that we celebrate our accomplishments. Melmark is most fortunate to have an abundance of these, and it is such an honor to share them with you.

In 2015, we welcomed a transition in leadership and quickly began our collaboration in planning for the year ahead and the next 50 years. We established a community-based program for adults, a new program in the Melmark New England network of services. We made strides in the Promises to Keep Campaign, securing significant support from individuals and foundations. Over half of the Phase I Campus Infrastructure Improvement Project has been completed, resulting in increased parking, campus-wide paving, ADA curbing, new sidewalks and more for Melmark Pennsylvania. In New England, we are in the process of building a large storage facility. That storage space will help us make room in order to begin construction on our new Clavin Center for Professional Development and Family Training.

We enjoyed a number of very successful special events across the organization, including two tremendous golf tournaments, one in Andover, MA and the other in the Philadelphia region. We were also thrilled to host a new event, a chamber music concert led by our dear friend, Anne Faulkner Schoemaker, who shared her exceptional talent as a concert pianist to an audience of Melmark friends old and new. These events and others promoted support for our programs, services and the Promises to Keep Campaign.

Our many programs, initiatives, accomplishments and the strength of our mission could not be possible without the support of our families, friends, volunteers and donors. As you read through this Donor Report, I hope you will share in the knowledge that you have made a tremendous difference and accept our gratitude for your gifts of time, expertise, leadership, financial resources and the shared belief that, together we are changing lives.

Our warmest regards,

Rita M. Gardner, M.P.H., LABA, BCBA
President and CEO-Elect

Dear Family and Friends,

It is a great honor to write to you, our dedicated donors, to thank you for your generous support of the children and adults Melmark is so privileged to serve. I know the entire membership of the Melmark Charitable Foundation Board shares my gratitude.

Whether I am walking the halls of the Melmark School, visiting the vocational program, meeting families at a Melmark Players performance, attending the Schoemaker Golf Classic, or participating in a Board meeting or a Promises to Keep Campaign Cabinet meeting, it is always very clear that Melmark is fortunate to have so many people dedicated to its mission. Together we form a community that is truly committed to helping individuals with special needs grow to their fullest potential and live a life filled with joy, accomplishment and respect.

As Melmark enters its 50th Anniversary year, we have much to celebrate. In 2015, we continued to see progress with the Promises to Keep Campaign which has and will support a number of vital projects. They include campus-wide infrastructure improvements and expansion in Melmark Pennsylvania, which has already significantly improved living, learning, and service environments for those we serve, our dedicated staff and volunteers, and all those who participate in Melmark life. Another important project is the acquisition of land in Melmark New England, which will provide the needed property to build four new homes for children.

Through partnerships with community and corporate partners and volunteers who contributed so much of their time and resources, a variety of projects and initiatives were realized. They included painting and landscaping residences, special recreational and cultural activities, the purchase of more than 100 Christmas presents for individuals who couldn’t be home or have no family, and volunteers working side by side with members of the Meadows Country Garden Guild to ensure a bountiful harvest. Generous foundation grants were awarded to support educational technology, horticultural programs, the purchase of physical therapy equipment, and the development of a new Adult Day Program in Melmark New England. And certainly a highlight of the year was the recognition of the musical talent of the Melmark Joybells through a coveted invitation from the World Meeting of Families to perform at the Mass for Pope Francis during his recent visit to Philadelphia.

We are most fortunate to have many people who made so much possible, and we look forward to working together for the wonderful children and adults at Melmark. Thank you.

My best regards,

Dennis “Mickey” Flynn
Chairman
Melmark Charitable Foundation
Melmark Pennsylvania and New England

We are deeply grateful to all who have given so generously to help us provide the best educational, programmatic, vocational and therapeutic services to the children and adults we are privileged to serve. In this report, we extend our thanks and appreciation to those who contributed from January 1 to December 31, 2015.

While all contributions are most appreciated, due to space limitations, donors of $100 or more are listed. Great care has been taken to assure the accuracy of our donor lists. Please accept our apologies for any discrepancies, and let us know if you are incorrectly listed or omitted.

Reaching a Milestone

With the end of 2015 came an exciting milestone for Melmark, as we launched a yearlong celebration marking our fiftieth anniversary. In 1966, doctors urged parents to institutionalize their children with intellectual disabilities, leaving them far from home, detached from their family and with limited resources. For Paul and Mildred Krentel, the idea of their daughter, Melissa, who was born with Down syndrome, growing up without her brothers and sisters was beyond unthinkable. Throughout 2016, we will be celebrating the couple’s decision, a choice that forever changed the landscape of services for people with intellectual disabilities and autism. We hope you will join us as we look back on fifty amazing years and look ahead to an incredible future!
A Culture of Caring

Accenture’s Longtime Support

Accenture is a dedicated Melmark partner. The company is one of the world's leading professional service groups, providing consulting and outsourcing services through strategy, digital technology and operations capabilities. As an organization, Accenture shares in fulfilling Melmark's mission. Giving back to the communities where its employees work and live is part of Accenture's corporate and community culture.

Since the inception of the Hubert J.P. Schoemaker Classic for Melmark in 2006, Accenture has taken on leadership roles such as Title Sponsor and Presenting Sponsor. In its ten years running, the Schoemaker Classic has raised $4 million to support Melmark's educational, vocational and residential programs and services.

This year, Melmark was proud to recognize Accenture as its Distinguished Honoree at the Annual National Philanthropy Day luncheon sponsored by the Association of Fundraising Professionals, Greater Philadelphia Chapter.

In response to the overwhelming demand for quality adult day services, and with strong encouragement from current and former Melmark families and the MA Department of Developmental Services (DDS), Melmark New England (MNE) has established a habilitation and vocational day program. The first of its kind in the Merrimack Valley, the program addresses the unique needs of adults severely affected by autism and challenging behaviors.

We are eternally grateful for the longstanding dedication of the Peter and Elizabeth C. Tower Foundation. From the foundation’s first donation in 2006 to the present, The Tower Foundation has supported the MNE Expert Speakers Series and The Incredible Years parent education program. The foundation’s most recent, three-year commitment enabled us to open our new adult day program at The Riverwalk in Lawrence. Five ABA-trained direct care staff work alongside a program director, RN and other therapists.

Each day, young adults engage in daily living activities, exercise, internal and external vocational opportunities and community excursions. Adults learn technological skills as well as clerical, janitorial, unloading, sorting, assembling, stocking and other tasks, working alongside our community partners.

We look forward to physically expanding the program in the spring of 2016, allowing us to reach our full capacity of 40+ adult students.

A New Partner for Melmark
The William R. Kenan, Jr. Charitable Trust
This year, a Melmark family recommended that Melmark be considered for a major grant from The William R. Kenan, Jr. Charitable Trust. The foundation awarded Melmark $200,000 to support its endowment, one of the goals of Promises to Keep...The Campaign for Melmark. This grant will ensure continued, long-term success for our organization and strengthen our commitment to providing the highest quality of services to children and adults with intellectual disabilities.

The William R. Kenan, Jr. Charitable Trust was established in 1966 and awards grants in four key areas:

- Education
- Basic Human Needs
- The Arts
- Other Initiatives

Melmark CEO-Elect, Rita M. Gardner, M.P.H., LABA, BCBA, says the Trust’s grant will positively impact many lives. “The William R. Kenan, Jr. Charitable Trust will support continued growth and longevity in our wide-ranging, evidence-based clinical programs. These programs increase confidence and build valuable life and work skills,” said Gardner. “With the development of these skills, each individual served at Melmark is allowed the opportunity to live the most independent life possible. They’re able to be active participants in their communities.”

We are grateful for this new partnership and the many opportunities it creates for the children and adults we serve.

The Clavin Center for Professional Development and Family Training

Melmark New England (MNE) parents and Promises to Keep Campaign Cabinet members, Mary Gene (also a board member) and John Clavin, focused their collective energy in 2015 to spearheading informational tours and visits to the New England campus. Thanks to the generous support of their family members, loyal friends and other MNE supporters, Melmark New England will soon open a state of the art educational and training auditorium. Construction is slated to begin later this spring.

To remain at the forefront of professional development, family education and research, The Clavin Center for Professional Development and Family Training will offer:

- A modern, equipped auditorium to conduct graduate training and professional development
- Enhanced coordination of research and education between service divisions
- More efficient and effective worldwide collaboration to share research, emerging technologies and best practices
- Enhanced space for family education and support groups and other informational meetings
- Expansion of our Expert Speakers Series, impacting 400-500 students per session
- The opportunity to gather as a community for student programs and other events

We are grateful to each donor who supported this initiative and invite you to learn more by contacting Ellen M. Kallman, Director of Advancement at ekallman@melmarkne.org.

A Melmark Champion

Dr. Maureen McMahon has many roles at Melmark, but first and foremost, she is a devoted mother to Caroline, a lovely young woman and a 17-year resident of the Melmark community. The staff in Caroline’s home know Maureen well and fondly refer to her as “Dr. Maureen”. They regularly share how much they enjoy her visits, which includes time with all the residents.

Maureen gives regularly of her time and resources, supporting a number of initiatives which directly impact the children and adults entrusted to our care. Maureen contributes to the Staff Holiday Bonus Fund, which allows Melmark families to show their appreciation for the dedication of the men and women who serve their loved ones. She has supported the Promises to Keep Campaign since its inception and has made a special commitment in recognition of Melmark’s 50th Anniversary as a Dream Maker Star Sponsor for the 2016 Dream Maker’s Ball.

Her support doesn’t end there! In spite of her demanding schedule as a pediatrician, Maureen serves as a member of the Melmark, Inc. Board, providing expertise, guidance and leadership. Maureen has volunteered to serve as our Board liaison to the Health, Safety and Risk Management Committee. She is also an active participant on the Promises to Keep Campaign Cabinet and the Dream Maker’s Ball Committee. She is an ambassador for Melmark, introducing the organization to friends, potential corporate partners and the community at large.

We are grateful for Maureen’s generosity and dedication to our mission and her commitment to partnering with us to give the promise of hope to each individual we serve. She is truly a Melmark Champion.

It is with great excitement and gratitude that we report the Promises to Keep Campaign continued to move forward and build momentum in 2015. A number of significant contributions and grants were realized, bringing the campaign total to $12 million, with many requests and grant applications pending.

We continue to see progress at Melmark Pennsylvania with campus-wide infrastructure improvements. There are new roadways, sidewalks and parking lots. New water and gas systems have been installed, as well as underground cable networks to improve telecommunications and security. These projects have already made a significant difference for everyone on campus. There is still much to look forward to for completion in 2016, such as additional paving and parking, outdoor lighting systems and a new recreational field. We look forward to keeping you apprised of our progress.

In Melmark New England, plans are well underway for The Clavin Center for Professional Development and Family Training, named for the Clavin family, who has been so generous with their resources and very active in helping raise funds through other sources close to them. The new Center will transform a large portion of the Melmark New England School to offer an auditorium with advanced technology for staff training, graduate studies and educational programs for families and community members.

The Promises to Keep Campaign will help Melmark further a number of initiatives, among them, building Melmark’s endowment. A more robust endowment will play a pivotal role as we move into our next 50 years of service to children and adults in need. It will provide a reliable source of income to sustain our program, help us plan effectively, and respond to needs and opportunity.

Our heartfelt thanks to our Campaign Cabinet for their efforts and to all of our campaign donors who are helping us Keep the Promise.

The Paul and Mildred Krentel Legacy Society, founded in 2010, is comprised of individuals who have named Melmark Charitable Foundation as a beneficiary of their estate plan. Such gifts can include a bequest and beneficiary designation in a retirement plan and/or charitable income gifts, such as charitable gift annuities, charitable remainder unitrusts, charitable remainder annuity trusts, or gifts of life insurance. Like the Krentels, individuals who provide future support establish their own legacy that will live on and ensure Melmark’s excellence well into the future. We are grateful for those who have identified their plans for Melmark. As we enter our 50th Anniversary Year, the Paul and Mildred Krentel Legacy Society seeks to exceed 50 members added since its founding. Anyone interested in becoming part of the Society, or who wishes to learn more about planned gifts, can contact John J. Schlesinger, CFRE, at (610) 325-4792 or jschlesinger@melmark.org. Please feel free to visit Melmark’s Planned Giving Web site at www.melmark.org/planned-giving.
Effective annual giving provides unrestricted support to critical and ongoing needs at Melmark. In order for the organization to realize the most from the generous support of its families and friends, gifts must be made every year to help meet operating needs. Melmark wishes to recognize its Loyalty Society, donors who have made the difference in annual support for the last consecutive ten years or more.

Melmark Board Member, Maureen Sandberg, joined Sarah and other members of The Joybells during their performance for Pope Francis’ visit during the World Meeting of Families in Philadelphia. Maureen is a member of the Melmark Loyalty and Legacy Societies. Her late daughter, Heather, was a member of the Melmark Family for many years before her passing in 2009. We are grateful to Maureen for her longtime support of and service to Melmark’s mission.
The 10th Anniversary fore Melmark New England golf tournament was held on Monday, July 27, 2015 at the Andover Country Club. Despite some challenges with the weather and the impact on the afternoon and evening programs, the event was a great success. We are proud to have celebrated this milestone, which was made possible thanks to the outstanding commitment of the Alex Family, sponsors and donors, the Andover Country Club and our amazing MNE families.

As one of the premier golf events in the Merrimack Valley region, we were pleased to host the Boston Red Sox World Series trophies and to have the Boston Bruins’ own Rene Rancourt, whose rendition of the National Anthem inspired everyone, join us once again this year. With legendary sportscaster Bob Lobel as Master of Ceremonies, we paid tribute to Jim and Angela Alex for founding the tournament, and we honored Larry Cancro, MNE Parent, Board Member and Boston Red Sox SVP, for his decade of unwavering support, advocacy and commitment to Melmark New England.

Since inception, we are excited to announce that fore Melmark New England has raised more than $2M. These gifts have enabled us to increase the quality and breadth of the programs and services we provide to the hundreds of children, adolescents and adults we serve. Mark your calendar for this year’s tournament - July 25, 2016.

A big thank you to all of the MNE parents, families, friends and staff who made donations, came to the event or volunteered. We couldn’t do it without you!
Celebrating its tenth year in 2015, The Hubert J.P. Schoemaker Classic has raised $4 million for the children and adults served by Melmark. Members of the Schoemaker Classic Advisory Board organize this annual event, which was founded in 2006 by Lee Ahrensdorf, President of Ahrensdorf and Associates, in memory of the late Hubert J.P. Schoemaker. Schoemaker, whose eldest daughter lived at Melmark for 28 years, was a leader and advocate in the region's life sciences community and founder of Centocor. Schoemaker was well known for giving back to the community, especially to children and adults with special needs.

On Monday, October 5, 2015, 264 professionals from the life sciences field and beyond gathered for the 10th Annual Hubert J.P. Schoemaker Classic with Title Sponsor, Accenture. The Classic included a day of golf on three premier courses: Waynesborough Country Club, St. Davids Golf Club and Gulph Mills Golf Club. Golf was followed by a cocktail reception, silent auction and dinner, with a live auction, all at Waynesborough.
